The  
Fly-in Classics  
Aerial Garden Party

24<sup>th</sup> July 2016  
Cotswold Airport, Gloucestershire.

Air Racing and Formation Flying have always been exciting for participants and both are fascinating for those who watch. Here at last, is an occasion where you can now have an opportunity to meet those who are involved!

May we warmly welcome you to join us?

Organised around a congenial lunch at the AV8 Restaurant, where people can catch up, meet & greet or compare notes. We are bringing together aircraft and pilots who have won the King George VI, "Kings Cup Trophy Air Race", British racings most prestigious award; together with aircraft and pilots who will be actively involved in a day of formation flying activities. It will be an afternoon full of something to watch! And for some, may be even to participate in?

Whilst this programme is still being finalised, there will be Formation Flying with BAe Bulldogs, deHavilland Chipmunks & Beagle Pup aircraft, plus a grand flight line display of Kings Cup Racers old and new; together with photo opportunities with a world class aerial photographer. Also joining us with their delicious hardware from the Bristol Owners Club you will be able to meet some really nice people with their cars, produced by the Bristol Aeroplane Company from 1946 until 2010.

To end our day these iconic ex RAF Chipmunks & Bulldogs, who dominated the RAF's training syllabus for over forty years, will formate in a large "Balbo" Formation Flypast.

#### Provisional **Fly-in Classics** Programme

09.00 – Airfield and Check-in is open  
10.00 - All day formation flying practice commences.  
11.30 – Last Check-in for attending the Garden Party Lunch  
12.00 – Garden Party Lunch will have a separate dining area set aside for us.  
16.15 – Balbo Briefing  
17.00 – Balbo Flypast and close

**Participation in formation flying:** If you are an owner or pilot of BAe Bulldog, Chipmunk or Beagle Pup and you wish to participate in the days formation flying activities with one of these machines? Please contact us at once to for an assessment of your experience etc. If you are able to meet our Formation Flying - Standard Operating Procedures this might be possible?

SkysportUK's – New "BullPup Flyers" association is the organiser of this event: May we warmly welcome you to join us? For those with a serious interest in Pups & Bulldogs, should it be your request, we will be pleased to introduce ourselves and explain the services we can provide for you or the Bulldog or Pup you may own. As one of the first CAA PROUD endorsed clubs we can also explain how this recognises our Advanced Flight Training Programme which already includes air racing and formation flying within its syllabus.

To Register Attendance: Please email Roger Hayes at [roger@skysport-UK.com](mailto:roger@skysport-UK.com) to request your invitation, which will be confirmed by email. Thank You!

#### NOTES:

1. This is an invitation-only event, there is no charge for attending but all invited guests must pay for their lunch and landing fees where appropriate.
2. Guests will be given an airside pass to distinguish them from the general public who will also be using the airfield but they will not be allowed onto our special areas.
3. All arrangements are provisional and subject to alteration.
